LEARNING CENTERS AND AFTER SCHOOL NEWS

Century Youth Learning Center

This month, the children at Century Youth Learning Center are staying busy with lots of Easter activities! This will include Easter art projects, learning projects and Egg Hunts. Earth Day is another important day for the children at Century so they will be discussing Earth Day, learning about and planting flowers, and making Earth Day projects! Another busy month for the children at CFUSA Century Youth Learning Center!

PSC Child Development Center

In April, the PSC Child Development Center has lots of activities going on! On April 21st, they will hold their Easter Egg Hunt! Spring pictures for the children at PSC were Tuesday, April 12th. This month they are studying Healthy Living, Music, Our Big World/Earth Day, and Space Exploration. Their color is purple, shape is eclipse, letters are K and U, and numbers are 2, 4, and 6. Also, the nurses from the Early Learning Coalition conducted free health screenings!

Longleaf After-School Program

Longleaf After-School Director Ms. Becky is keeping the after-schoolers busy with more spring crafts! This month, they are making Wind Socks, Foam Aquariums, Wooden Frogs, Paper Eggs and doing rock painting. In addition, they get to spend lots of play time outside in the sunny weather! The children will certainly stay busy until their spring break, which is April 25- April 29 in Escambia County.

Milton Youth Learning Center

At Milton Youth Learning Center, the kids are participating in all kinds of fun April activities! For example, April 15th marks Milton's Easter Egg Hunt with the Alpha Gamma Delta sorority from the University of West Florida. For Earth Day, the children will bring in all their recyclable items and make Easter wreaths out of recyclable bags. Earlier this month, students Brittney Goodwin and Austin Strickland were given awards from the Santa Rosa County DJJ!
